

## *Building a Drug-Free Future* ***StartTalking.ohio.gov***

### **Are you a Start Talking! Champion?**

The State of Ohio would like to recognize schools and school districts that are delivering a strong drug-free message to their students, and can inspire others with their story. We know that you, for many years, have worked to ensure that your students have a safe place to learn and an environment where they can develop knowledge and skills to help them live drug-free lives. Please share with us how you have been working toward a drug-free future.

Name:

School District:

School Building (Optional):

Phone Number:

Email:

 How do you deliver a consistent, drug-free message to your students?

 At what grade levels do you deliver this message each school year?

 How frequently do you share a drug-free prevention message with your student body?

🗨 Do you use particular drug prevention programs or curriculum? Please share the program/curriculum name and publisher:

🗨 Please share what additional policies or strategies you are pursuing to support your students in living drug-free lives:

🗨 What else should we know about that makes your school or district a Start Talking! Champion?

🗨 How do you engage parents and caregivers in your drug-free prevention work? Do you help enable them to carry the same message to their children?

🗨 Please share what community partners you work with to keep your youth drug-free (i.e., law enforcement, prevention providers, faith-based organizations, parent groups, prevention coalitions, etc.):

Submit completed forms to: [Info@StartTalking.Ohio.Gov](mailto:Info@StartTalking.Ohio.Gov).
